

**Alliance Police Department
Covenant Not To Sue, Promise to Release**

The Alliance Police Department is pleased that you have chosen to participate in our Ride-Along Program. The purpose of the program is to provide interested citizens with an insight into the operations of the Department. It is our hope that you will find this experience both informative and enjoyable.

We would like you to be fully aware of the conditions and circumstances under which this program operates.

1. You will be assigned to ride with a regular patrol officer of this department. He/she will be assigned to normal duties and will respond to all calls for service to which he/she is assigned.
2. Police officers can be and often are assigned duties which involve danger and serious risks. The officer with whom you are riding is no different. He/she will not avoid or disregard duties which involve emergencies or danger simply because you are accompanying him/her.
3. While every effort will be made to ensure your safety, the police officer's first responsibility will be to carry out his/her assigned duties.
4. The police officer you accompany will be happy to discuss his/her duties and responsibilities insofar as time permits. If, however, some emergency should arise, you must immediately and without question comply with orders given to you by the officer. This is for your own safety.

In consideration of permission which I have received to accompany one or more police officers of the Alliance Police Department, in the course of their duties, I the undersigned, do by these presents release the Alliance Police Department and it's police officers, public officials, officers, servants, and employees from any and all liability, claims, demands, actions, and causes of action which I may hereafter have on account of any and all injuries and damage to me or my property, or my death, arising out of or related to any happening or occurrence while I am accompanying any officer of the Alliance Police Department on duty, or incidental thereto, and for the same consideration, I promise to release, and covenant not to sue the said City and the said persons, and agree to forever hold them harmless from any such liability, claims, demands, actions, or causes of action.

The terms hereof shall be in full force and effect on the date hereof and on any other occasion when I may hereafter accompany any Alliance Police Department officer. I have read and understand the conditions of this program as stated above and hereby voluntarily assume all risk of loss, damage, or injury to me or my property, including death, which may be sustained while, or incidental to accompanying Alliance Police Department officers while on duty. This release and agreement shall be binding upon me and my heirs, executors, administrators, personal representatives and public officials, and persons herein designated, and their heirs, executors, administrators, personal representatives, assign and successors in office.
